

afternoon when we are ⁴
trying to know and do
his will; and believe
in his power.

When we returned to
the hotel, Max went
to the Sarah Marquis
Travel agency where
Mrs. Smith of the American
Board was waiting for
him. We got our tickets
our passports, and
final bits of advice.

Then we went to an
auto-mat for supper.
Here you put in a nickel
in a slot and out comes
a piece of pie or ~~the~~ some
thing. Ike had hamburger
steak, squash, beans and
milk. Kennie went
to sleep before he finished
his supper. I forgot to
say that Tommie
slept all the way
to the Marine Hospital.
