

"Don't say anything I forget
the middle name. Aunt
Ellie wrote that she is
adequate."

Hammer, if Hammer
and Jennie don't think
Portuguese any better
than they are now
you might as well say about
~~them~~ not wonderful looking
them. Jennie knows
just what to do. But the people
of the island, I don't know
about. Hammer. She is
looking at the attack on
the ship and she is having
a determined disposition

He certainly keeps Hammer
and blacked up their toes.

"Ellie, I have finally
found out about the Hammer.
Let your case go out. I am
for your Christmas present.
If it takes so long and
we are supposed to leave perhaps
we cannot wait in the year
to take it. I am sure now.
We had some Christmas, I went
to the market potatoes, and
other things. I am sure today
I had delicious food in
Chicago, I had that thing
like present. I had a little
present and some delicious
things, experience.
