

with this space for your
good-night and good-bye
you. Lovingly,
Daddy

P.S. Herman made the travel stop
for your Christmas tree. He cut it
off all alone. I helped him
make the travel stop.

Dearest & others,

I don't see the travel in here, and
it's too late to save this year anyhow, but
I'll ask Betty about it when I get home.
This is going with the Christmas. Maybe
you'll get it by Christmas Day. It we have
been delayed in sending it the cause of our
plane to take could I our children were

during our vacation period and consequently
have not had time to go to the post office.
I'm writing this in the Post Office at
the P. O. de Comercio in the heart of
the Lower City, Kibera.

We took pictures of our Christmas
activities. I don't know when we'll see
them, as I can't very well give you an
idea when you will have a copy. But
I'll send them to the States soon.

Love to you all. And we could have
celebrated Christmas together in the flesh.
But I'll use that as did in spirit.

Jackie
