

Don Antonio Labrador,  
 Dublin, Portugal

Dear Mary, Olive & Grandmum  
 Twice a day we drank  
 for the mail & it see if we  
 have a new piece as before.  
 How glad would we be the  
 good news! Mamma the same.  
 About that ~~same~~ yesterday is the  
 best thing we've received yet.  
 It is beautiful and so strong!  
 I could just imagine myself  
 jumping after as we did two  
 or in of these circumstances as I!  
 We had a wonderful time here  
 and the boys had a good time  
 at home with their friends & Mary!

Tommy's throat has improved  
 so much that he may not have  
 to have the operation after all.  
 The doctor said to give him more  
 vitamin and take him to the  
 beach. We are doing so and the  
 boys are getting brown and do  
 they love it!

While we were in the north we  
 saw "Filipina" (Good Filipina)  
~~very~~ <sup>very</sup> few of the things inside.  
 It is the easiest I have ever  
 seen. It is all made by hand  
 of pure silver. That is (some  
 of it) dipped in gold. We bought  
 Mamma a change purse. You know  
 the top up and then push the  
 top part from the inside out  
 & open it!
